

## SolaWash Pro 1500™

With an incredible output, approaching 30,000 lumens from a 600w LED source, High End Systems is again providing the market with innovative and unique products rivaling traditional lamp based technology.

In addition to the incredible output the SolaWash Pro 1500 comes packed with CMY, Variable CTO, 2 Fixed color wheels, Framing and a 9 to 55 degree zoom range. Alongside this full feature set, the SolaWash Pro 1500 includes High End Systems' patented thermal control software ensuring that the fixture's cooling system is as efficient as possible while being whisper quiet. Further to this, there are various cooling modes in order to meet differing customer requirements such as opera and broadcast.

Features

LED Type	600 W Bright White Engine
Lumens	> 28500*
LED Hours	> 50,000
CMY	Yes
Linear CTO	Yes
Fixed Color Wheel 1	6 + Open
Fixed Color Wheel 2	6 + Open
Framing System	Yes
Zoom	9 to 55 degrees
Indigo Highlighter LEDs	Yes
Active Thermal Control	Yes
RDM Compatible	Yes
Roadcase included	Single
Operation	
Auto Switching Power Supply	Yes
5 Pin DMX/ RDM Connector	Yes
3 Pin DMX/ RDM Connector	Yes
Powercon Connector	Yes
Construction	
Modular Construction	Yes
Fast Service Design	Yes
Electronic Cooling System Control	Yes
Pan and Tilt Locks	Yes
Yoke Arm Handles	Yes
Electrical / Physical / Compliance	
Electrical	100-240VAC @ 50-60Hz
Compliance	ETL, CE
Fixture Dimensions (Inches)	TBD
Fixture Dimensions (mm)	TBD
Fixture Weight (lbs)	TBD
Fixture Weight (kg)	TBD
Road Case Dimensions (Inches)	TBD
Road Case Dimensions (mm)	TBD
Gross Road Case Weight (lbs)	TBD
