

SolaSpot Pro 1500

BRIGHT, BRIGHTER, BRIGHTEST!

SolaSpot Pro 1500, the latest in the SolaSpot range, is an innovative and ground breaking fixture. The **SolaSpot Pro 1500** outputs 20,000 lumens using a 400w LED engine! Unparalleled LED brightness coupled with features including framing shutters, CMY color mixing, linear CTO, two gobo wheels, animation effects, a prism, an iris, frost and an 8 to 45 degree zoom range (amongst others) make this the most exciting LED product on the market today.

SolaSpot Pro 1500 is not only packed with tools for lighting designers but also makes use of many of **High End's** patents, including the lens defog system which is essential in LED fixtures as well as our thermal protection patents which ensure the fixture always operates to the best of its ability.

Further to this, the **SolaSpot Pro 1500** has been designed with the user in mind. Integrated retractable handles make lifting, turning and rigging this fixture extremely easy. Bulkheads and power supplies are all easily removed for service, as is the light engine.

This is a fixture which can truly replace high-powered traditional lamp moving lights!

FEATURES

LED Type	400 W Bright White Engine
Lumens	20000*
LED Hours	>20,000
Linear CTO	Yes
Fixed Color Wheel	6 + Open
Rotating Gobo Wheel (changeable)	6 + Open
Static Gobo Wheel (changeable)	7 + Open
Framing System	Yes
Iris	Yes
Animation	Yes
Prism	Yes
Frost	Yes
Zoom	8 to 45 deg
Auto Focus Function	Yes
Indigo Highlighter LEDS	Yes
Active Thermal Control	Yes
Lens Defog System	Yes
RDM Compatible	Yes
Roadcase included	Single

OPERATION

Auto Switching Power Supply	Yes
5 Pin DMX/ RDM Connector	Yes
3 Pin DMX/ RDM Connector	Yes
Powercon Connector	Yes

CONSTRUCTION

Modular Construction	Yes
Fast Service Design	Yes
Electronic Cooling System Control	Yes
Pan and Tilt Locks	Yes
Integrated Yoke Arm Handles	Yes

ELECTRICAL/PHYSICAL/COMPLIANCE

Electrical	100-240VAC @ 50-60Hz
Compliance	ETL, CE
Fixture Dimensions (inches)	15.3 x 12.6 x 33
Fixture Dimensions (mm)	389 x 320 x 838.5
Fixture Weight (lbs)	87
Fixture Weight (kg)	39.5
Road Case Dimensions (inches)	26.8 x 21.8 x 40.1
Road Case Dimensions (mm)	680 x 555 x 1020
Road Case Gross Weight (lbs)	187.0
Road Case Gross Weight (kg)	85

Patents Pending

Specifications Subject to Change Without Notice

One year product warranty and technical support

* Lumens as measured by Everfine 2.0 integrating sphere and PMS-80 Spectrophotometer. Calibration date March 3rd 2014

ROTATING GOBO WHEEL

STATIC GOBO WHEEL

FIXED COLOR WHEEL

Lithopattern Specifications

Rotating gobo wheel

Gobo: External diameter 30mm(1.18 in)
Internal diameter 25mm(0.98 in)

Static Gobo wheel:

Gobo: External diameter 34mm(1.34 in)
Internal diameter 26mm(1.02 in)
(1st and 3rd gobo)
Gobo external diameter 34mm(1.34 in)
Internal diameter 28mm(1.1 in)(other gobos)
